SUPPORTING TEENS AT-RISK IN OUR LOCAL COMMUNITIES

Dear Supporter,

On behalf of the Drew Hildebrand Teen Benefit Fund Golf Committee, I would like to personally thank you for your consideration of this year's golf classic, which will be held again at Royal Ontario Golf Club on Thursday, August 16th, 2012.

The Drew Hildebrand Teen Benefit Fund has an unwavering commitment to helping turnaround teens achieve a better future through scholarships for postsecondary education. Teens qualify for scholarships by showing turnaround initiative in school and other areas of their lives.

Your valuable support through golf or sponsorships of this tournament will enable us to achieve our target for 2013 scholarships and DHTBF's new Music & Arts After-School Programs for Teens with challenges and in financial need. We are very pleased to award Drew's 2012 "It takes courage to change" scholarship recipients at our 4th Annual Race for Teens At-Risk, 10K Run, 5K Run/Walk event that will take place on June 10th, 2012 in Coronation Park, Oakville. Details and registration are available on our website at www.drewhildebrandtbf.com.

Please take a minute to review this package for registration and sponsorship information. Your generous contribution will make such a difference in the future of an at-risk teen, and help us bring awareness to the issue of teen violence. We have added lunch and unlimited driving range privileges at no extra charge, and kept the price the same as last year.

In Drew's memory, we can all make a difference in our local communities.

Thank you,

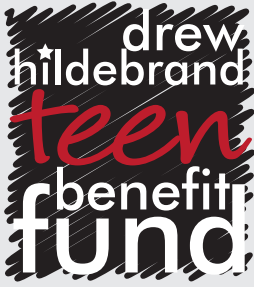

Rose Scott

IT TAKES COURAGE TO CHANGE.

The Drew Hildebrand Teen Benefit Fund has been established in memory of Drew, who died on April 8, 2008 as a victim of teen violence at the age of 16. Drew was loving, caring, compassionate and

funny, and had the rare ability to raise smiles and brighten hearts wherever he went. He touched many people's lives and continues to be a positive influence with all.

Drew's "It Takes Courage to Change" Scholarship Fund

The Drew Hildebrand Teen Benefit Fund will recognize and reward positive change through individual scholarships for post secondary education and/or training programs.

Scholarships will be awarded to graduating teens who have demonstrated turnaround initiative. At the charity's June 2011 Walk/Run, 10 deserving participants from the Peel, Halton and GTA regions received Drew Hildebrand "It takes courage to change" scholarships to the postsecondary school of their choice. The Fund hopes to expand the number of scholarships available so that as many turnaround teens as possible can pursue a better life.

Raising Awareness of Teen Violence

The Drew Hildebrand Teen Benefit Fund, through its many initiatives, will focus on raising awareness of teen violence.

Youth-on-youth violence is under reported. Many teens won't report being victims to their parents, teachers or police, as they fear being branded as a 'snitch' among other things. More action and concern is needed to end teen violence, and we hope this Fund will help raise awareness and action in our communities.

Get Involved

There are many ways you can get involved. Donations, participants, volunteers and sponsors are all needed for our fundraising initiatives:

- ★ 4th Annual **Race For Teens At-Risk 10K Run, 5K Run/Walk**, Sunday June 10, 2012, at Coronation Park, Oakville
- ★ 4th Annual **Charity Golf Classic**, Thursday August 16, 2012, at the Royal Ontario Golf Club, Milton
- ★ **Drew's Blues Southern BBQ Benefit** - Saturday November 24, 2012, at Gambrel Barn, Milton, featuring award-winning blues Fathead and Sugar Blue
- ★ Or make a donation, become a monthly donor or business sponsor and support this great cause.

After School Support Programs for Music & The Arts

The Drew Hildebrand Teen Benefit Fund's newly developed support program aims to provide the gift of music and art for at-risk teens and those in financial need.

The reality is 1 in 3 Canadian families are unable to provide any enrichment for their children outside the basic necessities of life such as food and shelter. The targeted age group is 13 to 18. The program will give teens valuable learning, mentoring, hope, immediate joy, creativity, self confidence, belonging, pride and a sense of accomplishment – all motivators that will steer teens away from risky behaviours. Teens will also gain valuable skills that can be applied to their post secondary education and future goals for success.

The mission of the Drew Hildebrand Teen Benefit Fund

is to support teens who are navigating the many pressures and dangers of violence, drugs, alcohol, among others. Through scholarship and support programs, and by raising awareness and concern among teens and within our communities, more teens will have a safer and better journey to adulthood.
